

Next Sunday Night, August 1<sup>st</sup>, we will have a movie night!! We will be showing two movies. One is called "To Save A Life." It was out at the movies recently, but has yet to come to DVD, but we have a licensed copy to show to our students. It is a very good movie, but it does deal with some mature material. In the movie there are elements of teen suicide, teen drinking, some drug content, teen pregnancy, and some sexuality. But!!, the movie does show the consequences of all of these and what happens when a young man turns toward Christ in the midst of tragedy. Because of the content, it is rate PG-13 and I would require a signed release(see below) for your students to come and because some of you may not want them to see this movie, I will provide an alternative movie to be shown that same evening. If you would like to know more about this film, go to [www.ToSaveALifeMovie.com](http://www.ToSaveALifeMovie.com) . The other movie that we will watch is called "The Ultimate Gift". This movie is rated PG and shows the importance of priorities on things that really matter.
